Upcycled Art in the Arb Contest

On display April 18 through May 2

In celebration of the 50th anniversary of Earth Day, we are harnessing the power of art and displaying it in Tyler Arboretum to heighten awareness and illuminate the pathway to change for our planet and hope for the future. We are giving high school and university student teams the opportunity to promote upcycling as a way to stimulate stewardship and an understanding of our living world.

Join us to be part of the People's Choice voting!

Tyler Travels

Birding Trip: Bombay Hook

Tuesday, April 14, 7am – 5pm

Enjoy a great day of birding at Bombay Hook National Wildlife Refuge with **Sue Lucas**. Bombay Hook lies on the Atlantic Coastal Plain along the western shore of the Delaware Bay. Covering nearly 16,000 acres, the refuge contains extensive tidal salt marsh, winding rivers and creeks. Diverse habitats attract bald eagles, breeding ducks, shorebirds and spring migrants. *This trip includes transportation, beverages and snacks. Bring a lunch, field guides and binoculars.*

\$60 members, \$75 non-members

Birding Trip: Cape May

Tuesday and Wednesday, May 12 and 13, departing at 7am and returning by 6pm

Join birder **Sue Lucas** on an excursion to Cape May, NJ. You'll explore the shorelines, marshes and other habitats to observe the many birds that stop by this wonderful spot. *This two-day trip includes transportation, lodging, breakfast and lunch on Wednesday, and a boat ride. Tuesday dinner is Dutch-treat. Bring field guides, binoculars and a brown bag lunch for Tuesday.*

\$240 double or \$265 single for members, \$275 double or \$300 single for non-members

Garden Trip: Wharton Esherick Museum and Jenkins Arboretum

Tuesday, May 19, 9:30am – 3:30pm

Travel to Malvern, PA to enjoy the unique home and studio of famed American artist Wharton Esherick on a special guided tour. Built over a period of 40 years beginning in 1926, the studio incorporates elements of Arts & Crafts, Expressionism, and organic forms, and was named a National Historic Landmark for Architecture in 1993. Then we'll head to Jenkins Arboretum in Devon, PA for a BYO picnic lunch before our exclusive guided tour. Discover seasonal highlights of the garden, history of the property and houses, and a behind-the-scenes visit to the apiary and research nursery. Jenkins is known for its extensive Rhododendron collection and we will be visiting at a great time! *Tour fees and transportation are included.*

Weekday Bird Walks

Every Wednesday, 8:15 – 10:15am

Join Tyler's experienced birders in search of the numerous spring migrants throughout the Arboretum. Beginners and experts both welcome. *Bring bird guides and binoculars.*

Saturday Bird Walks

Saturdays, March 14, 9 – 11am, April 11 and May 9, 8 – 10am

Join **Chris Weaver** from Wild Birds Unlimited–Concordville to discover year-round residents and seasonal migrants, while learning the basics of bird identification. Families and beginners are welcome!

Weekday Wildflower Walks

Every Wednesday, 11:15am – 1:15pm

Spring explodes with wildflowers as woodland plants emerge from their winter slumber. Discover them with experts **Richard Brenner** and **Dick Cloud** and experience spring unfolding at Tyler.

Saturday Wildflower Walks

Saturdays, March 21, April 18 and May 16, 1:30 – 3:30pm

Can't attend our Weekday Wildflower Walks? Join **Dick Cloud** for a Saturday afternoon walk in search of the numerous spring blooms in Tyler's woods and meadows.

Harbingers of Spring Tours

Fridays, Saturdays and Sundays, April 17 – May 17, drop-in 12 – 3pm

Tour areas of Tyler that are idyllic to spot harbingers of spring. Come experience the bright pink blooms on the redbud trees, spot the skunk cabbages and spring beauties that flourish in the Old Arboretum and perhaps catch a glimpse of Eastern bluebirds. You will also get a chance to visit areas where our bluebird boxes are located.

Spring Tree Identification Walk

Saturday, April 25, 1:30 – 3pm

Discover spring on a walk with **John Wenderoth** to examine the changes that occur as tree growth resumes. Deciduous tree species will differ during this season, so you can see the beginning of varied responses as buds break to reveal growing leaves and flowers that will continue into the following two months.

Beyond the Fence Hikes

Dates and times set by Mother Nature

Join ecologist and naturalist **Steve Tessler** for fun and informative seasonal nature hikes out on Tyler's trails. Hunt for fungi, insects, spiders, moss and other creatures of the season. Feeling spontaneous? If you'd like to receive notice of Beyond the Fence hikes, please contact Amy Mawby at 610-566-9134 ext. 301 or amawby@tylerarboretum.org.

Early Learning

Our Early Learning programs are designed for children and adults to learn together, which builds lifelong memories and important connections with one another and nature. We will incorporate songs, hands-on activities and stories into our lessons. At Tyler, programs for early learners provide excellent instruction and guided exploration that encourages children to embrace their sense of wonder, while helping adults feel more comfortable with their child in nature.

**NEW FORMAT!
JOIN US FOR
6-WEEK SESSIONS**

We will be very active during all classes so please dress for the weather, leave the stroller at home and be prepared to get your hands dirty (that means the adults too)!

New Sibling Policy

We understand that brothers and sisters may need to come along and that's ok! The class will be taught for the ages listed in the description but older or younger siblings can attend, though the class content might not be for them. All siblings must be registered in advance as a paid series participant, unless they remain in a wearable baby carrier.

All children must be accompanied by an adult. Limit one free adult per child registrant. Additional adults will be charged \$8 at the Visitor Center during check-in.

Toddlers in Nature

Ages 18 months – 3 years

**Session 1: Tuesdays, March 3 – April 7,
9:30 – 10:30am**

**Price for 6-week session:
\$75 members, \$100 non-members**

As the winter season ends, we will focus on waking up from the cold weather and transitioning into spring. We will move our bodies to stay warm, discover what is happening with the weather around us and see what else in nature is starting to come alive too!

**Session 2: Tuesdays, April 21 – May 26,
9:30 – 10:30am**

**Price for 6-week session:
\$75 members, \$100 non-members**

Now that it is officially spring, let's see what plants are starting to bloom and what creatures are coming out to play! We will explore our trails, meadows, forests and streams and look closely at nature to understand it better.

Tiny Trackers

Ages 4 – 6

**Thursdays, March 5 – April 9,
1 – 2pm**

**Price for 6-week session:
\$75 members, \$100 non-members**

Continue your young learner's nature education with programs that build on the ideas of Nature Play. Children and adults are able to explore, build, collect and engage in hands-on activities and learn how to look closer and wonder more! We will spend time outside going on adventures to learn about the changing seasons, migrating birds and how to read a map.

Garden Sprouts

Ages 4 – 6

**Thursdays, April 23 – May 28,
1 – 2pm**

**Price for 6-week session:
\$75 members, \$100 non-members**

From seeds to sprouts, we will start the seasonal plantings in the children's area of the Edible Garden. Some of our plants might even be ready for harvest soon! We will learn what it takes to help a garden grow including sowing, weeding, proper picking techniques and, of course, watering.

Family Programs

Family Programs

Grab the kids and come have fun together at Tyler! Interactive programs let you learn, create or explore nature and plants. Fee is for each child and each adult, unless noted.

Food Adventures: Sweet and Green

Saturday, March 14, 1 – 2pm

Have the sprouting plants gotten you in the spirit for all things green? In this class, we will sample a variety of seasonal leafy vegetables and use them to mix up savory green salads with delicious fruity and cheesy toppings. Create your own homemade ranch dressing. What meal is complete without dessert? Make a delicious and surprisingly healthy “green” cake that is perfect for this time of year! *Suitable for ages 4 and up.*

Arboretum After Dark

Friday, April 3, 7:30 – 9pm

We invite you to visit the Arboretum after hours for an evening scavenger hunt. Scour the Arboretum in search of glowing treasure. Wrap up your adventure with s’mores around the campfire. *Suitable for all ages.*

\$8 members, \$17 non-members

Potato Party!

Saturday, April 25, 1 – 2pm

As part of the Longwood Gardens Community Read Initiative 2020: Join us for a story time and potato party! We will read the book “The Enormous Potato” by Aubrey Davis, then we will head into our beautiful Edible Garden to plant our very own potatoes! Come back anytime throughout the spring and summer to see the potato plants sprout. And no party would be complete without some festive food, so enjoy our baked potato bar. *Suitable for ages 3 and up.*

\$10 members, \$15 non-members

Teatime in the Garden

Saturday, May 9, 2 – 3:30pm

Make your own tea sandwiches with savory, herb fillings and sweet, fruity spreads! Create tea bags with herbs from our garden, and decorate sweet scones with homemade icing. Enjoy all of these treats while looking out over the blooming trees and flowers in the Arboretum. A perfect way to celebrate Mother’s Day weekend! *Suitable for ages 3 and up.*

\$15 members, \$20 non-members

Picnic Party

Friday, May 15, 5:30 – 8pm

Bring your dinner and your blanket and picnic in style. Enjoy cheery music and the glow of the campfire. Roam the Arboretum after hours and enjoy a tasty s’more for dessert. *Suitable for all ages.*

\$6 members, \$15 non-members

Girl Scout Camping at the Arboretum

Friday, May 29, 5pm – Saturday, May 30, 10am

Do you love camping? Do you wish you could give it a try in a low-key, safe environment? We are opening our gates for you to pitch your tent and stay the night. *Bring your own food and camping gear and explore the Arboretum at night.*

S’mores will be provided. Campfires will be available for cooking, if needed.

Suitable for Girl Scouts of all ages, with their leaders/adults.

\$20 per person

School Day-Off Camps

Ages 6 – 9

Camps run from 9am – 3:30pm

A day of nature exploration and fun is the perfect solution when your child has a day off from school! These easy-going days are filled with discovery, games, crafts, hikes and projects so engaging the kids won’t even know they’re learning. *Please pack a lunch and a water bottle.*

\$50 members, \$60 non-members

Fantastic Froggies

April 7

Can you hear the call of the chorus frogs? Head out to the ponds and search for frogs and other amphibians. Learn about the sounds they make and investigate the thousands of eggs and tadpoles that inhabit the ponds at Tyler.

Dirt Made My Lunch

April 9

Learn what makes your lunch by exploring the Edible Garden. We’ll make a snack from some of the veggies we find in the garden, and go on a hunt to see what other critters help our food go from seeds to sandwiches!
