Sharing Member Memories

Each month, you are invited to share your favorite Tyler memories to be featured in the *Members' E-Newsletter*. Jean Kristie shared two drawings of her visits to the Arboretum. Jean is a new member and a talented artist. Thank you for sharing these magical moments with us!

Hawk

On a recent visit (Sept 10, 2022), my son insisted that we should walk off the paved path and explore. We found a red tailed hawk that just sat on the ground while we admired it.

The Three Chairs

It was a very warm morning at Tyler Arboretum. My daughter, grandchildren, and I loved eating our lunches on the Three Bears chairs in the cool shade. - Jean Kristie
