2024 Pollinator Preserve		T				l				
Plants Scientific Name	Common Name	Why Chosen								
Achillea millefolium 'PP31755' 'Sassy Summer Taffy'	Yarrow	Nectar, flat topped inflorescense								
Agastache 'Blue Fortune'	Anise hyssop	Nectar, attracts a variety of insects								
Agastache foeniculum	Anise hyssop	Nectar, attracts a variety of insects								
Allium unifolium	Oneleaf onion	Early season nectar								
Aquilegia canadensis	Columbine	Early spring nectar for long tongued bees and hummingbirds								
Aristolochia tomentosa	Dutchman's pipevine	Host plant for pipevine swallowtail, unique flower shape								
Aronia melanocarpa 'Low Scape Mound' ®	Black chokeberry	Nectar, host plant for coral hairstreak butterfly								
Asclepias incarnata	Swamp milkweed	Nectar for many insects; host plant for monarch butterfly and milkweed tussock moth. Provides food for milkweed bugs and beetles Nectar for many insects; host plant for monarch butterfly and								
Asclepias syriaca	Common milkweed	milkweed tussock moth. Provides food for milkweed bugs and beetles								
Asclepias tuberosa	Butterfly weed (milkweed)	Nectar for many insects; host plant for monarch butterfly and milkweed tussock moth. Provides food for milkweed bugs and beetles								
		Late season nectar, ground cover								
Aster ericoides 'Snow Flurry Baptisia australis	Heath aster False indigo	habit Early season nectar especially valuable to bumble bees pollinate, host plant for clouded sulphur, Orange Sulphur and eastern tailed blue butterflies								
Baptisia tinctoria 'Wild Indigo'	Wild Indiao	Early season nectar								
Carex pensylvanica	Pennsylvania sedge	Ground cover in shady area, seeds for birds								
Caryopteris x clandonensis										
Dark Knight' Cephalanthus occidentalis Sugar Shack'	Bluebeard Buttonbush 'Sugar Shack'	Late season nectar Nectar, attracts a variety of insects. Host plant to some of our largest and showiest moths: titan sphinx, the hydrangea sphinx, and the royal walnut.								
Chelone glabra	White turtlehead	Nectar, host plant for Baltimore checkerspot. Large bees pollinate.								
Chrysanthemum 'Hillside Sheffield Pink'	Chrysanthemum	Very late season nectar, attracts a variety of insects including beetles and flies								
Clethra alnifolia	Summersweet	Nectar for insects and hummingbirds, seeds for birds								
Coreopsis 'Fall Sensation' 'Sunny Side'	Tickseed	Nectar								
Coreopsis lanceolata	Lanceleaf coreopsis	Nectar, possible host plant to silvery checkerspot butterfly								
Coreopsis triptera	Tall coreopsis	Nectar, Host plant to blue azure and duskywing butterflies								-
Coreopsis verticillata 'Zagreb'	Threadleaf coreopsis	Nectar, flowers for 3 seasons, attracts a variety of insects								
Crocus chrysanthus 'Cream Beauty'	Snow crocus	Early season nectar Nectar for insects and								
Diervilla x 'Kodiak® Orange '	Bush honeysuckle 'Kodiak® Orange'	Nectar for insects and hummingbirds, alternative to invasive Burning Bush. Shelter for butterflies and other								
Eragrostis spectabilis	Purple lovegrass	insects								
Eryngium yuccifolium	Rattlesnake master	Attracts a large number of native bees and many insects that don't typically visit other flowers.								
Eutrochium dubium 'Little Joe'	Little Joe Pye weed	Late summer nectar, attracts a variety of insects								
Eutrochium purpureum	Joe Pye weed	Late summer nectar, very attractive to a variety of insects								
Foeniculum vulgare 'Rubrum'	Bronze fennel	Host plant for black swallowtail, nectar								
Gaillardia x grandiflora 'Arizona Sun'	Blanket flower	Nectar, attracts a variety of insects								
	simer nower									

	First light swamp										1
Light'	sunflower	Late season nectar									
Heuchera longiflora	Longflower alumroot	Nectar									1
riedciera ionginora	Longriower alumitoot	Nectal									
											1
Hydrangea arborescens 'Haas Halo'	Smooth hydrangea	Nectar, attracts a variety of									1
riaio	Sillootii liydi aligea	insects									i
Hylotelephium spectabile 'Neon'	Sedum 'Neon'	Late summer nectar, attracts a variety of insects									1
Neon	Seddili Neoli	variety of filsects									i
Liatris microcephala	Smallhead blazing star	Nectar, attracts a variety of insects									1
Elatio mioreceptara	onameda biazing star	mocoto									
Liatris spicata	Blazing star	Nectar, attracts a variety of insects									1
·											
Lindera benzoin	Spicebush	Early spring nectar, host plant for spicebush swallowtail butterfly									1
Lobelia cardinalis	Cardinal flower	Nectar for hummingbirds Nectar for large strong native									
, , , , , , , , , , , , , , , , , , ,	Great blue lobelia	bees									—
Lobelia speciosa Starship™ Blue	Cardinal flower	Nectar for hummingbirds									
Lobelia x speciosa 'Starship (TM) Deep Rose'	Cardinal flower	Nectar for hummingbirds	 		 						
		Nectar for hummingbirds, host plant for snowberry clearwing									
	Coral or trumpet honeysuckle	hummingbird moth, vine for vertical interest									1
	.,										
Lysimachia lanceolata 'Burgendy Mist'	Lance-leaf loosestrife	Nectar, flowering ground cover option									
Monarda didyma	Bee balm	Nectar, attracts hummingbirds and a variety of insects									
monarda didyrna	bee bain	Nectar, attracts hummingbirds									
Monarda fistulosa	Wild bergamot	and a variety of insects									
Monarda fistulosa 'Claire Grace'	Wild bergamot	Nectar, attracts a variety of insects									
Monarda punctata	Spotted beebalm	Nectar, attractive to many bees and wasps									
	Blue grape hyacinth	Early season nectar									
Nepeta x faassenii	Blue catmint	Early spring nectar Nectar for hummingbirds, host									
Nicotiana sylvestris	Woodland tobacco	plant for many moths including hornworms									
	Golden ragwort	Early spring nectar									
		Shelter for butterflies and other									
Panicum virgatum 'Hot Rod'	Switchgrass	Nectar for a variety of insects,									
Passiflora incarnata	Passionflower	host plant for variegated fritillary butterfly, vine for vertical interest									
		Early spring nectar, attract large bees and hummingbirds,									
Penstemon 'Blackbeard'	Beardtongue	example of 'nectar guides' Early spring nectar, attract large									—
Renatemen digitalia	Paardtangua	bees and hummingbirds, example of 'nectar guides'									
	Beardtongue										
Petroselinum crispum	Parsley	Host plant for black swallowtail Nectar, favorite of hummingbird									
Phlox paniculata 'Jeana'	Garden phlox	moth and eastern tiger swallowtail.									
	,	Nectar, attracts a variety of insects, example of 'nectar									
Phlox paniculata 'Laura'	Garden phlox	guides'									
Plantago major	Broadleaf Plantain	Host plant for common buckeye butterfly									
Prunue caratina	Black charm	Keystone Plant, host to hundreds of species of butterflies and moths, nectar, fruit for birds									
Prunus serotina	Black cherry	Prolific nectar, attracts a variety									
Pycnanthemum muticum	Mountain mint	of insects									
Ratibida columnifera	Mexican hat flower	Nectar, unusual flower shape	 		 						
	Black-eyed susan	Nectar									
		Late summer nectar, attracts									
Rudbeckia fulgida 'Goldstrum'	biack-eyed susan	native bees; birds for seeds									
Salvia guaranitica 'Black and Blue'	Black and blue salvia	Nectar, bees exhibit 'nectar robbing'									
		Nectar, attracts bees and									
	Hot lips salvia	hummingbirds									
Salvia nemerosa	Meadow sage	butterflies/nectar early nectar for butterlies and									
		hummingbirds. Flowers spring through late summer if									
Salvia nemorosa 'Spring King	Perennial sage	deadheaded Prolific nectar, attracts									
Scrophularia lanceolata	Figwort (early bloomer)	hummingbirds, native bees, wasps									
opnosina lanceOlata	(carry biootile)	Prolific nectar, attracts									
Scrophularia marilandica	Figwort (late bloomer)	hummingbirds, native bees, wasps									
осторнитана птантапапаса	i igwori (iate bidomer)	washs				l		L			

Sedum album 'Coral Carpet'	Stonecrop	Late spring nectar, attracts butterflies								.	
Sedum ternatum 'Larinem		Late spring nectar, attracts									
Park'	Stonecrop	butterflies									-
Senna marilandica	Senna	bees. Contains extrafloral nectaries; host plant for cloudless sulfur and sleepy orange butterflies (and others), birds consume seeds.								ı	
Solidago canadensis	Canadian goldenrod	Abundant pollen and nectar in early fall, attracts a variety of insects, host plant for 8 moths in our region									
	Rough goldenrod	Abundant pollen and nectar in early fall, attracts a variety of insects, host plant for 8 moths in our region									
Spigelia marilandica	Indian Pinks	Attracts humming birds, butterflies, and bees; does well in shade									
Stokesia laevis 'Honeysong										.	
Purple' Symphyotrichum cordifolium	Stokes' aster Blue wood aster	Nectar Late season nectar, seeds for wildlife, host plant for dozens of moths and butterflies									
Symphyotrichum ericoides 'Snow Flurry'	Heath aster	Late season nectar, host plant for pearl crescent butterfly, unique color of flowers									
Symphyotrichum lateriflorum	Calico aster	Late season nectar, host plant for pearl crescent butterfly and others									
	New England aster	Late season nectar,									
Symphyotrichum oblongifolium 'Raydon's Favorite'	Aromatic aster	Late season nectar, host plant for silvery checkerspot butterfly and a variety of moths	 			 					
Tiarella cordifolia	Heartleaf foamflower	Early season nectar, tolerates shade									
Tulipa	Tulip	Early season nectar									
Vaccinium corymbosum 'Blue Crop'	Highbush blueberry	Nectar, berries for birds									
Verbena bonariensis	Vervain	Nectar, attracts a variety of insects									
Vernonia lettermannii	Narrowleaf ironweed	Nectar									
Vernonia noveboracensis	New York ironweed	Nectar									
Veronica spicata 'Red Fox'	Spike speedwell	Nectar/Butterflies									<u> </u>
Viola sororia	Violets	Nectar, host plant for fritillary butterfly Nectar, host plant for black									<u> </u>
Zizia aurea	Golden alexander	swallowtail butterfly
